

Perfect size that maximize your aspiration

Perfect-size of tiles and modular formats for any flooring or wall, but also for dressing a design. with everything can be made, from the walls of a skyscraper to a garden table. **OUR** Smart Solid Surface so innovative and versatile that they break down the barriers between surfaces for architecture and furnishing, between indoor and outdoor use. The freedom to design grows, with solutions that were impossible until yesterday.

SHADES OF NATURE

WITH MATT AND GLOSSY FINISH

Eight colours, a single modular 800x2400mm size, a selection of Natural shades reflect today's taste. Make way for colour, for shades, for glossy and matt surfaces, with cracking effects and for decorations that in the form of combinations, matches, lights and shadows, play with lively elegance within space.

Variant options for Maximize your style

An old soul, a modern styling. The veins and fascination of marble are unchanged, what changes is the space, which is more modern and releases the creative identity of the material in variant application like reception table, stair case, Bath tub, Furniture, Etc, through a contemporary perspective. Eight colours, two surfaces (glossy and matt) available in 800x2400mm size elegantly emphasize the designs, establishing an inseparable bond between styling and architecture.
